ABOUT Us

Established back in 2010, "TAASA Industries" has emerged as a prominent name in the realm of PVC products. As a dedicated manufacturer and service provider, we specialize in a comprehensive range of PVC offerings. From PVC doors, T.V cabinets, and Maliya, to office furniture, modular PVC kitchens, ceiling and wall paneling & Louvers, sliding wardrobe cabinets, and an array of PVC furniture, we cover it all. Our products stand out not only for their quality but also for their competitive pricing. At the core of our operations lies a team of seasoned experts who ensure that every product that leaves our facility meets stringent quality standards. This dedication to quality is further reflected in the international acceptance of our products.

Our journey of success wouldn't be complete without acknowledging the pivotal role played by Mr. Ravi Khoyani and Mr. Jignesh Kamani. Their unwavering support and guidance have propelled us towards unprecedented growth in the present market landscape. We're dedicated to quality. Our products go through strict checks at every stage of production. We stay updated with market trends through research, ensuring our range meets demands and holds value. Each finished product is tested thoroughly, earning us great client appreciation for our diverse collection.
